Reflections of Life

Monique was born December 5, 1975 to the late David 'Bo' Williams and the late Mary Louise Williams in Newark, NJ.

Monique made Jesus Christ her Lord and Savior. She joined Shiloh Baptist Church in Newark, NJ under Pastor Malachia Brantley.

Monique had a special way about herself--she always had a smile and a sense of humor. Everywhere she went she made people laugh. Monique was a giving and loving person. In the words of one of her friends, "Monique was easy to love".

Monique was a fighter. As a matter of fact five years ago when Monique was diagnosed with Cancer, the first thing she did was pray. She, along with her sister Diann, they packed their bags and headed to the Cancer Center of America in Chicago Illinois for treatment and surgery. Monique always had a good spirit and will to fight any battle. Instead of sitting around worrying about her upcoming surgery Monique chose to go skating at one of the well known rinks in Chicago called JB Skating while she waited.

Monique had a passion for Rollerskating. That's where she received her nickname "SkateVixen". Monique was loved by her family, co-workers and friends. However she had a special bond with her Skate Friends whom she lovingly called her "family".

Monique was employed by Gibbons Law Firm where she was a committed and dedicated Document Support Specialist for seven years. She had a special bond with her co-workers and always pressed her way to work even when she was not feeling her best.

Monique was preceded in death by her Mother, Mary Louise Williams and Father, David "Bo" Williams. She leaves to cherish her memory: The love of her life, Stanley Newborn; (1) Son, Tyquil Spriggins, (1) Sister, Diane Williams; (1) Brother, David Williams; (1) Neice, Brittani Grant (1) Nephew, Terrence Pearson; (2) Uncles, Leroy 'Pop' Williams, James 'JD' Williams; (2) Aunts, Mary 'Kitty' Cooper and Mildred Eaddy-Williams, her God-Mother, Zelda Wright; and a host of cousins, family and friends.

The family appreciates all those who helped in the care of Monique during her battle. A special thanks to her God-Mother, Zelda Williams-Wright (Leesburg, GA), Keisha Mack (Yonkers, NY), Sha-Asia Jerez (Jersey City, NJ), Christina D. Norris (Harlem, NY) Adrienne Carr-Cason (Hillside, NJ) and the love of her life, Stanley Newborn (Crofton, MD). A special thanks of appreciation to Manny Jones for all you have done.

"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing" ~ 2 Timothy 4:7&8

Lions and tiger and bears! Oh my! A heart is not judged by how much you love, but by how much you are loved by others. Bell out of order, please knock. Take special care of those ruby slippers. I want those most of all. Now fly! Fly! There's a storm blowin' up a whopper, to speak in the vernacular of the peasantry. Poor little kid, I hope she gets home alright. That's a horse of a different color! I hope your tail holds out! Ring around the rosie, a pocket full of spears! Thought you were pretty foxy didn't you? Well! The last to go will see the first three go before her! And your mangy little dog too! You're confusing courage with wisdom. Do not arouse the wrath of the great and powerful Oz. As coroner I must aver. I thoroughly examined her, and she's not only merely dead, she's most sincerely dead. A place where there isn't any trouble do you suppose there is such a place, toto? There must be. Its not a place you can get to buy a boat or train. Its far, far away. Behind the moon behind the rain my people come and go so quickly here! You have no power here! Be gone before somebody drops a house on you too! Some people without brains do an awful lot of talking... Don't they? Toto too? These things must be done delicately. You DARE to come to me for a heart, do you? You clinking, clanking, clattering collection of caliginous junk! The chipmunks genuflect to me. You cursed brat! Look what you've done! I'm melting! Melting! Oh, what a world! What a world! Who would have thought a little girl like you could destroy me beautiful wickedness? Oh you're the best friends anybody ever had. And its funny, but I felt as if I've known you all the time. But I couldn't have? Toto, I don't think we're in Kansas anymore. Well some people without brains do an awful lot of talking don't they? Oh you liquidated her? Pay no attention to that man behind the curtain. Poppies...poppies...poppies... will put them to sleep. Sleeeeeep. Now they'll Sleeeeeeep! Scarecrow, I think I'm going to miss you most of all. Oil can what? If I ever go looking for my hearts desire again, I won't look any farther than my own backyard.
