When tomorrow starts without me and I'm not here to see if the Sun should rise and find your eyes all filled with tears for me I wish you wouldn't cry the way you did today while thinking of the many things we did not get to say I know how much you love me as much as I love you each time that you think of me I know you will miss me to when tomorrow starts without me please try to understand that an angel came and called my name and took me by the hand the angel said my place was ready in heaven far above and that I would have to leave behind all those I already love.....

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
