FAREWELL

Farewell my family, don't weep for I'm at peace now, just asleep. Farewell my family, I'm not alone, the Mighty Maker has led me safely home. Just think back over the many years, how the family seemed so strong, holding back the tears. Yet, God somehow always made a way, thanking Him every night and day. Be good my family, always love each other. Be strong my family, strong in heart, the blood ties, no one can ever part. If at some time I made a mistake, as you live, many will you make. Farewell my family, I've been called away. Walk with God, trust in His word, for He is always by your side.
