GOD'S GARDEN

*God looked around His garden
And found an empty place.
He then looked down upon the earth
And saw your tired face.*

*He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.*

*He knew that you were suffering,
He knew that you were in pain.
He knew that you would never
Get well on earth again.*

*He saw the road was getting rough
And the hills were hard to climb.
So He closed your weary eyelids
And whispered "Peace be thine."*

*It broke our hearts to lose you
But you did not go alone...
For part of us went with you
The day God called you home.*
