*I'm sending a dove to heaven with a parcel on it's wings,  
Be careful when you open it it's full of beautiful things.  
Inside are a million kisses wrapped up in a million hugs,  
To say how much I miss you and to send you all my love.*

*I hold you close within my heart and there you will remain,  
To walk with me throughout my life until I see you again.*
