Obituary

Our beloved **Radhi Muhammad** fell asleep in death on October 18, 2015.

Born Edwin West in Newark, NJ on September 30, 1968, he was the third and youngest child of Susie Juanita West and the late Carol Edwin West. He was a precocious child, always into everything so he received the nickname "Doofinger" which he was affectionately called throughout his life.

Radhi was raised in the Baxter Terrace Homes in a family whose love for gathering together for good food and good music played a major factor in his life. He began his education at Burnett St. School. Summer visits to NC and VA taught him a valuable lesson in the togetherness of family.

After the death of his father, the family relocated to the Vailsburg section of Newark where he attended Lincoln Elementary and Vailsburg High School. As a child of the Hip Hop generation, he developed a talent for spinning on the 1's and 2's. As an adult, he took his love for music and became known as "DJ Wreck" bringing life to any event he appeared.

In 2004, he married Sheree Arnold and settled down into family life. Accepting Christ just two years ago, Radhi was baptized at the New Hope Baptist Church in Newark, NJ. Radhi will always be remembered as fun-loving, caring, talented and most of all, loved.

When I'm Gone

**When I come to the end of my journey
— And I travel my last weary mile
Just forget if you can, that I ever frowned
And remember only the smile**

**Forget unkind words I have spoken
Remember some good I have done
Forget that I ever had heartache
And remember I've had loads of fun**

**Forget that I've stumbled and blundered
And sometimes fell by the way
Remember I have fought some hard battles
And won, ere the close of the day**

**Then forget to grieve for my going
I would not have you sad for a day
But in summer just gather some flowers
And remember the place where I lay**

**And come in the shade of evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best.**
