After Glow

I'd like the memory of me, to be a happy one. I'd like to leave a smile for everyone to keep close to their hearts. I'd like to leave an echo of cheers and laughter for everyone to enjoy. I wish everyone happy times, laughter, good health, good spirits, happy life, and bright sunny days. I'd like the tears of those who grieve, to dry, enjoy the memories of my life, live your life to the fullest, until we meet again, at the gates of heaven, where I shall greet you with open arms, and welcome you to eternal life with God.

The Master Called

I'm sorry I had to leave you.
My loved ones, oh so dear.
But you see, the Master called me,
His voice was very clear!
I had made my reservation
A heaven bound ticket for one,
And I knew that He would call me
When He felt my work was done.
I know that your hearts are heavy
Because I have gone away,
But when the Master called me,
I knew that I could not stay.
Yes, I'm sorry I had to leave you
My loved ones, oh so dear,
But, you see, the Master called me
And, now I'm resting here.
Yes, I've crossed on over to glory
And to you all I say
Just stay in the hands of Jesus
And we'll meet again someday.
