# Obituary

Elizabeth and Joshua Fennell were blessed by God with the birth of **Jason** on August 11, 1969. Immediately, one could see that Jason was a different child, a special child, a true child from God.

God knowing that Jason would face many challenges in his life due to Down Syndrome, blindness and defective heart and trusted Elizabeth and Joshua to raise this special needs person who had a lovable spirit and soul. In spite of Jason's many ailments, some others which came later, his life was not in vain. God would use Jason to continuously, teach and challenge unconditional love and build the faith of those closest to him. Jason will be remembered for his big hugs and kisses. His love for Christmas music and Whitney Houston. Although, we are all deeply saddened by Jason's passing, we are rejoicing because his struggle is over. Jason has persevered, to God be the Glory.

Jason is survived by: his father, Joshua Fennell; sisters, Diana Freeman, Bernadette Fennell and Jacinta E. Fennell-Powell; brothers, Syeed Rockman, James Fennell and Joshua Fennell; brothers-in-law, William Freeman and Emmett C. Powell; numerous aunts, uncles, nieces, nephews and a slew of cousins.

God is love; God is Good!

# The Road to Eternity

Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road  
To sweet eternity.  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
But never meant to stay...  
Our destination is a place  
Far greater than we know.  
For some the journey's quicker,  
For some, the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward,  
And find everlasting peace,  
Together with the Lord.
