*Mom you are the backbone to our family. Without you how can we stand? We love you and will always cherish the way you gave us life and have been there for us. You are the woman who is the glue to our family. You will be missed every second of the day. An awesome mother, a loving, caring and fun Grandmother. A beautiful wife, loyal sister and nurturing person who showed us nothing but unconditional love. How do we go on without you? It's hard knowing I will never hear your sweet voice again. You deserve a Going Home fit for a queen, because that's who you are. You're the best mother any person could ever have or want. My lady, I love you so much. We will carry on your legacy. We will see you again one day, I do believe.*

***Your daughter, Carla***
