# Stay

*Stay, that's what so many of us wanted to say she said I'm sorry  
I have to go because God has made a way away for me to look  
down upon you a way for me to guide you through*

*The many obstacles that God has planned*

*And because of my strength I know  
you too will stand*

*What will we do without you?*

*She said live on that's what I want you to do.*

*Because know that I am still with you in everything you do.*

*Who will I talk to and which way do I turn?*

*She said turn to each other, time and time again  
for there are lessons to be learned. Learn from each other no  
matter how old or young Because know that you are all family so  
don't forget to behave as one*

*What about when I miss you and I just want to see your face?*

*She said just think of me smiling at you  
in your most memorable time and place.*

*How do I know that you're up there and that you're alright?*

*She said I was a good-hearted woman so God has received me  
now and I no longer have to fight.*

## *Acknowledgement*
