*To Those I Love & Those Who Love Me*

When I am gone, release me, let me go  
I have so many things to see and do  
You mustn't tie yourself to me with tears  
Be happy that we had so many years.

I gave you my love, you can only guess  
How much you gave me in happiness  
I thank you for the love you each have shown,  
But now it's time I traveled alone.

So grieve for me if grieve you must,  
Then let your grief be comforted by trust.  
It's only for a while that we must part,  
So bless the memories within your heart.

I won't be far away, for life goes on,  
So if you need me call and I will come  
Though you can't see or touch me, I'll be near  
And if you listen with your heart, you'll hear  
All of my love around you, soft and clear.

And then when you must come this way alone,  
I'll greet you with a smile and say "Welcome Home."
