## *Reflections of Life*

**Pauline L. Haley** daughter of the late Lester Little and the late Adelenia Linwood was born May 21, 1932 in Peach County, Georgia. Where she also received her education.

At an early age, she moved to Paterson and accepted Christ as her Lord and Savior and became a member of Christ Temple Baptist Church in Paterson, NJ. She was employed by AT&T which was then located in Wayne, NJ for over 30 years where she held the position of Supervisor of Operators. After her Retirement, Pauline sold her Paterson home and moved to Daytona Beach, FL. Her passion was traveling and sharing the word of God to all she came in contact with.

Her daily words “I am blessed and Highly favored” and “Is there anything you want to tell me?”

Pauline was the anchor of her family, she was selfless. She prayed for Everyone. She didn't have to know you to help you. Her kind heart and gracious spirit will forever be with everyone who has cross paths with her in this lifetime.

She was preceded in death by her late husband Henry Haley of Columbus, GA. Her Parents Lester Little and Adelenia Linwood of Alabama. Brothers Louis Little, Lester Little along with her youngest daughter Lori Catoe and son-in-law Leon Brown Jr. of Paterson, NJ.

## *When The Street Lights Came On*

Just like being outside, playing in the yard all day.... When the street lights came on,  
I can hear you say...it's time to come in...

Our Father saw you living a life suitable to him...

So, when the street lights came on this day, he called you in....

Yours prayers to God for your family & friends sent us protection...

Your prayers have been our greatest weapon...

Your words shined a light ever so bright... The street lights came on,  
and it didn't even have to be night.

You have lived your life delivering God's message throughout this land... no matter  
the struggle, the pain, or hardships... you have exceeded all the test. So our Father  
turned the streets lights on, because he was pleased with what his faithful servant  
has done and now he wants you to rest.

---Tawanda Haley

## *Hold Tight*

Angel wings are upon us  
To comfort and guide us  
Holding Tight Thru Grams Flight  
To be with all God's children  
We long for a few more minutes  
or even a few more seconds  
But Our Lord and Savior says  
"It's time to let her go. She will be in a better place.  
Let her pain be little and her suffering be gone  
For in heaven, she will have none"  
Good bye Grams we say, for be on your way.  
We will meet you someday, up in heaven.  
We Love you, and will miss you each and every day  
Until once again we meet that great day in heaven.
