## *My Mother And My Angel*

*Lord you planted me, Lord, in the womb of my mother. But "God" looked around in his garden and found an empty place because because he saw that you had a tired look on your face. God knew the road was getting rough and the hills were too hard to climb. He always takes the best.*

*God whispered his soft voice and said my dear daughter come and take your rest. To my mother, children and Greg please don't cry because I'm in a better place where there's no more suffering or pain. I thank you all for the time I spent with you. I traveled a beautiful journey as we laughed and had a great time. My dear children I want you to understand that I could not stay long but I will never forget the love you possessed in your heart for mommy "Cheche". My dear children when you awake in the morning and think of me... know that I'm in your heart. Please stay encouraged as God gives you strength and endurance to carry on. I love you all.*

### **RIP**

God called your name so gently that only you could hear  
No one heard the footsteps of an angel drawing near...  
Softly from the shadows, there came a gentle call, you  
Closed your eyes and went to sleep...and quietly left us all.  
You will be missed. By Aunt Marie Anderson Daniels
