# *Oh Miss Dynamic*

*By Miracle Watts*

*From the streets of Newark, NJ to the battlefield of her hood, she reached deep down in her enemies to find their inner good. She was fantastic, Oh Miss Dynamic. Part of her was relaxed, the other energetic. She's been through highs and lows, sadly affected. But by friends and family she was uplifted and respected, head held high. She is my Oh Miss Dynamic. There is them, but them becomes a part of her now detected is she. She becomes I, which is my Oh Miss Dynamic, for dynamic was she.*

*The family wishes to express their deepest and most sincere thanks to all who shared with them in this time of sorrow. May God bless and keep you in a most gracious way.*
