Reflections of Life

Hi! My name is **Tyquan Daron Henderson.**, but everybody calls me "**Quani.**" First, let me tell you where I am ___ and then I'll tell you who I am, and lastly, I'll tell you whose I am and what I want you to do for me. On Tuesday, January 26, 2016, I returned home to heaven to resume my former duties as an angel.

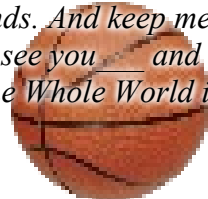

For 2 years, well, let's see, ___ I'm twelve now, since I was nine or ten, ___ well anyway. I thought Christmas and my birthday at 1035 Magnolia Avenue in Elizabeth were great days. I got so much love ___ and some very nice presents, too. But where I am now, it's awesome everyday. Everyone is extremely nice. Oh, by the way, I ran into my sisters, Tavasha and Kimiyha; brother, Eric and they said they were going to take good care of me until you get here and the last one said he was my uncle, Joe ___ they all send their love. I could keep telling you about this place but I do hope that you will live so that you can come and see for yourself.

You all know that I was a seventh-grade student at School No. 27/Burnett Middle School in Union. And perhaps you also know that I loved to play basketball, watch movies and take rides with my cousin. Oh yeah, there are a couple of things that I will miss--- watching basketball games and hanging with the family at barbecues and dinners.

Oh! and did I forget to tell you I like to visit the library. I would like each of you to remember a couple of things that in my short life I learned. One was a prayer. Of course, we all know "Now I lay me down to sleep." But this is one I liked ___ "God give me work to do while I live, and life, till my work is done." Nice, huh? How about this one? "It takes a universe to hold God's love and an eternity to unfold it." And finally, "the measure of life is not "duration" but "donation."

Give your love to someone today ___ start with my mommy, Jennie Henderson; father, Rodney Perry; and my siblings, Shantel, David and Christopher; and include my aunts, uncles, my cousins, my other relatives and all of my friends. And keep me in your hearts as you are in

mine. I'll see you ___ and remember,
"He's Got The Whole World in His Hands."

Baby

God on his throne in Heaven
Looked around at His Flowers so fair
And then sought a blossom on earth
To add to those he had there
To be part of such heavenly company
The bloom must be pure and sweet
And the little bud that was chosen
Was the child who had played at our feet.
Sorrow is great at the loss of our child
At the parting with one we love
But the parting was made that our
child might go
To brighten the heavens above.
