In Memory of A Wonderful
Brother and Son

I hold on to our memories.
The ones that are so dear.
To try to keep you always close.
Now you are not here.
You were called it was your time.
You have left a legacy.
There was no one like you.
You were very special.
And I just want to say.
We feel lost in many ways.
You are not here today.
But we will never forget you.
We know we have been blessed.
To have you for our brother and son.
Because you were the best.
