## *Obituary*

**Marta Santiago** or “Ma” as she was known to many of you, was born on July 22, 1963 in Yauco, Puerto Rico. She was born to Marta Rodriguez and the late Hector Santiago.

As a child, she moved to Brooklyn where she gained her education and would later grow up to pursue one of her passions, cooking.

Marta enjoyed dancing, listening to music and to be in the company of her friends but what she loved the most was to be with her four daughters and five grandchildren.

Marta was a big part of the community and helped many people and treated everyone with the same respect. Everyone in the neighborhood knew that if they needed something to eat or somewhere to stay that they could go and knock on her door. She also took care of numerous children and helped with their growth in life.

Don't look at it as we lost Marta, but that heaven has gained an angel.

Celebrate her life and how she touched everyone's life and not how she went home and remember she will be watching us.

Ma will always be known for her big heart and cooking.

Marta leaves to cherish her memory: her mother, Marta Rodriguez; her brother, Hector Santiago; her daughters, Densie, Ashley, Jasmine and Nicole; her grandchildren, Corazon, Eddie, Frank Jr., Kavon, Kaheim and Rylee and various family members. She also leaves behind many of you that are reading this that she loved and cherished like her own children and too many friends to count.

We will never forget you as you shall live forever in our hearts as you walk with us all in spirit as we continue with our journey through life.
