My Uncle

I came in this life
You held me in your arms
You kept me safe
So no one could harm

You taught me values
Lessons in life I would learn
You taught me to respect
I gave you love in return

You have always been in my life
Through thick and thin
And now my lonely journey
Without you will begin

For you were my hero
Forever and a day
You will always remain that hero
Till I meet you again someday

I will embrace you in my arms
And hold on tight
I will stand by your side
And you will never leave my sight

I miss you so much
The Pain does not ease
I Pray you are happy and finally at peace
Ill Never forget you UNK
Now give me my sugar

Your loving niece,
Lisa
