One Last Request

Now that I am gone,
Remember me with smiles
And laughter
And if you must cry
Cry with your brother or
Sister who walks in grief
Beside you. And when you
Need me, put yours arms
Around anyone and give to
Me. There are so much I want
To leave you something
Something much better than
Words or sounds, look for me
In people I've known or
Helped in some special way
Let me live in your heart
As well as in your mind.
You can love me most
By letting your love.
Love does not die people
Do. So when all that's left
Of me
Is Love
Give me away
As best as you can

Acknowledgement
