No Greater Love!

There is no greater love than that of a mother.
You gave us all you had and then some.
You fought a good fight all the way to the end.
And I love you for that.

The memories we were able to create,
I will forever hold on to that.

There is no greater love than the love I have for you.
Loosing you is hard, yes I know

But watching you suffer so much was even harder.
You held on for us even when you knew there was no hope.
So eventually when this time came we would be able to cope.
Your a hero in my eyes and will always be courageous.

Now its time for us to let go

For we have said our good byes.

Your time was up and only God knows why.

Yes its a struggle and the road will be hard.

But I will keep your memory alive.

Your grandkids will miss you, but now you have eternal life
So watch over us and keep us

Safe, as a mother no one will ever be able to take your place.

I may can't see your face physically, but I know you're near

Thank you for everything you did for us and giving us this extra time.
For there is no greater love than the love of a mother.

I love you Ma aka Clarice
Love Lacey
