I Will Celebrate Life

I Will Celebrate Life:

I will celebrate my Birth by making a mark on my small corner of the world.

I Will Celebrate Life:

I will celebrate my Infancy by letting others know that I am bothered by their Actions rather than just expecting them to know.

I Will Celebrate Life:

I will celebrate my Childhood by playing with my favorite toys, listening to the rain, blowing bubbles and playing in water. I will wrap myself in a blanket, play make-believe and rest when I am tired.

I Will Celebrate Life:

I will celebrate my Adolescence by taking more risks, speaking my mind and making new friends. I will stand up for my friends, let the world know when I'm happy and laugh, laugh and laugh some more.

I Will Celebrate Life:

I will celebrate my Adulthood by crying when I'm sad, learn to say thank you, and establish healthy boundaries. I will open my hand to whatever life has to give me-both the good and the bad, and realize that both are sides of the same coin.

I Will Celebrate Life:

I will celebrate my Senior Years by giving back to others and doing the things I want to do rather than the things others expect of me.

I Will Celebrate Life:

I will celebrate my Death by leaving the world better than I arrived.

I Will Celebrate Life
