Life Story of Lue Jean Sherman

Daughter, Sister, Mother, Aunt, Grandmother, and Great Grandmother was born in Bucksport, S.C on January 31, 1945 to Deacon Fred Douglas Graham and Edna Mae Davis Graham.

She attended Richardson Elementary School; she later graduated from Whitmore High School in 1966. She later attended Berkley College graduating in 1984 with a secretarial degree, and later used that degree to work for the Newark Housing Authority where she stayed 20 years earning several awards for outstanding and excellent performance. She retired in 2009, but could not give up her love of learning. Lue taught herself, Spanish, sign language and tried herself with German.

Lue as she was affectionately known had a unique personality, to know her was to love her. She was very spirited and gave generously from her heart. If you needed something and she had it, it was yours.

She leaves a legacy of service to God, and to a loving family.
