*Our Mother kept a garden,  
a garden of the heart,  
She planted all the good things  
that gave our lives it's start.*

*She turned us to the sunshine  
and encouraged us to dream,  
Fostering and nurturing  
the seeds of self-esteem...*

*And when the winds and rain came,  
she protected us enough  
But not too much because she knew  
we needed to stand up strong and tough.*

*Her constant good example  
always taught us right from wrong  
Markers for our pathway  
that will last a lifetime long.*

*We are our Mother's garden.  
We are her legacy-  
And we hope today she feels the love  
reflected back from us.*

## *God's Garden*

*God looked around His garden  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.*

*He put His arms around you  
And lifted you to rest.  
God's garden must be beautiful,  
He always takes the best.*

*He knew that you were suffering,  
He knew that you were in pain.  
He knew that you would never  
Get well on earth again.*

*He saw the road was getting rough  
And the hills were hard to climb.  
So He closed your weary eyelids  
And whispered "Peace be thine."*

*It broke our hearts to lose you  
But you did not go alone...  
For part of us went with you  
The day God called you home.*

### *Expression of Gratitude*

*With grateful hearts, the family would like to express sincere appreciation for every act of kindness and love since Norma's passing. Your condolences and love have helped to comfort and sustain us during this difficult time.  
May God bless you.*
