Cynthia

You're leaving... You're leaving...

I woke up one morning.

Told you might be going...

Tears started...

And I began to remember...

Cynthia...if you go take my heart where you go...

Is all I thought and wanted at that moment?

As tears rolled down my face...

I knew you were there...there!

Life on earth can be painful...

He'll protect and show the peace and love...

He always promised.

Rest with all our love...

Miss you. Miss you...miss you!

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
