Obituary

Latasha Johnson was born on May 9, 1980 to the parents of Linda Johnson and the late, Raquan Hasan. They resided in Orange, NJ, where she attended grammar and high school.

Latasha enjoyed hanging out with her daughters and sisters sharing constant laughs. Long conversations with family and friends.

She had three children. Two daughters, Dejah and Bryttani Johnson, and Snug (the dog). They moved to East Orange, NJ in 2006.

She worked in the banking industry for many years, she was last employed at Boiling Springs Savings Bank as a Marketing Coordinator. Latasha truly enjoyed her career, and she loved the company as well as the great people she worked side by side with.

Known to many as Tasha or Tash, she was a loving granddaughter, mother, sister, daughter, aunt, and friend. She was hilarious and could make light of even the worst circumstances. Anyone she has encountered cannot contest that. She enjoyed eating, and cooking Italian Food. She was known for her famous baked ziti. Tasha also loved going to the mall, and despite her love for shopping she seemed to shop for everyone else more than herself.

She leaves behind two beautiful daughters Dejah and Bryttani, her loving mother Linda, brother Allen, two sisters Aquanda and Ruqayyah, granddad Theodore and Myrtle, nephews Zion and Noah, and a host of aunts, uncles, cousins, and other family and friends.

Love You Always.

God's Angels

God has angels in heaven and on earth they walk among us everyday sometimes they are here for a while and other times they are gone too soon regardless they are here to serve a higher purpose they touch our lives in everything they do if you ever met one you would surely know God's Angel is someone you will never forget it could just be a kind word, gesture, or a loving hug but from an angel there is a warmth behind it that is hard to deny...If you are blessed enough to have one in your life thank God as it is truly a gift to be cherished for forever and a day thank you Lord for our angel Tasha that we had here on earth who now watches over us in heaven..

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
