## *I'm Free*

Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard him call;

I turned my back and left it all  
I could not stay another day

To laugh, to love, to work or play  
Tasks left undone must stay that way;  
I found that place at the close of day.

If my parting has left a void,  
Then fill it with remembered joy.

A friendship shared, a laugh, a kiss;  
Ah yes, these things I too will miss.

Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.

My life's been full, I savored much;  
Good friends, good times, a loved one's touch

Perhaps my time seems all to brief;  
Don't lengthen it now with undue grief.

Lift up your heart and share with me  
God wanted me now, He set me free.

## *Acknowledgement*

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
