She Wished No One A Last Farewell

*She wished no one a last farewell,
nor even said goodbye.
She was gone before we knew it,
And only God knows why.
They say time heals all sorrow,
And helps us to forget,
But time so far only proves
How much we miss her yet,
God gives us strength to face it,
And courage to bear the blow.
But what it meant to "love"
and lose her no one will ever know.
