You Can Shed Tears

*You can shed tears that she is gone,
or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back,
or you can open your eyes and see all she's left.*

*Your heart can be empty because you can't see her,
or you can be full of the loved you shared.*

*You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.*

*You can remember her only that she is gone,
or you can cherish her memory and let it live on.*

*Or you can do what she'd want: smile,
open your eyes, love and go on.*
