*When tomorrow starts without me,
And I am not there to see,
If the sun should rise and find your eyes
All filled with tears for me;*

*I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you will miss me too;*

*But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,*

*So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*
