Letter From Mike Mike

Where are you? I'm right there always in your heart
and in your mind to stay never going away don't cry for me

I'm in heaven blessed without a care
talking to God and learning new things

"Oh" if you could see this place,
it would make you wanna sing the golden brick roads and everything.

I know I will be missed and that's not a surprise
but when you look up to heaven you'll see my light shine,
for I will always be there in spirit to make you safe
and warm for I'm now your guardian angel
to keep you safe from harm tell everybody

I'm good now and not to cry for me I know I left early
but I'm right where I need to be thanks for
everything and all the love you showed me
but my favorite cartoon is on and it's time for me to go.

Submitted by Christopher Phillips

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
