## *A Tribute To My Nephew Patrick*

No words I write could ever say how sad and empty I felt Monday, October 24, 2016...when the Angels came for you much sooner than planned. I'll brave the bitter grief that comes and I'll try my best to understand Patrick, why did you have to go away. Why wasn't it right for you to stay. In our hearts Patrick you will be. I love you dearly and I know you're watching over me. When our suffering seems so unfair, but one thing is for certain, your family's love for you will always be the most important part of our hearts memory. I will cherish the moments growing up with you, and my sister's joy when she first held you in her arms. A thousand words won't bring you back, I know because I've tried, neither will a thousand tears, I know because I've cried. Now you're with the Angels up above, and they'll give you all their love. So go and rest in peace now my little nephew for all my love and memories I will hold forever near.
