## Reflections of Life

**Aldon Wesley Kiffin (Nol)** was born to Albert and Floriebel Kiffin on January 12, 1958. He was the fifth of eight children from that union.

He attended Frankfield Comprehensive High School (Edwin Allen High School). He was technically minded and majored in auto mechanic but always wanted to be self-employed.

Upon graduating from high school, he worked in the family transportation business, plying the route mainly from Mandeville to Kingston. He, however, was always forward looking and one of his early saying was: “Mother has, father has, but blessed be the child that has for himself”. After leaving the family business, he tried to established his own independence and worked in the transportation business in Newport Kingston before migrating to the United States.

In the states, he attended various technically schools with concentration in AutoCad, Information Technology and worked for D&B Engineers and Architects, and NCR in Georgia as an independent contractor.

Aldon was always a joy to be around. He was a loving and caring person who would go out his way to help friends and family. He would be intimating but behind that facade he was very humble and very nice person at heart. Many here are recipients of this love and kindness.

He was preceded in death by his parents, Albert Kiffin and Floriebel Kiffin and one sister, Ulrica Hylton.

He leaves to cherish precious memories: his son, Damion Kiffin; sisters, Elaine, Lana, Winsome, Freda and Cesmine; brothers, Tetrick, Wessel, Ainsworth, Nigel, Michael and Silvanous; and a host of aunts, uncles, nieces, nephews, cousins and great friends and well wishers.

May his soul, rest in peace.
