Miss Me, but Let Me Go

When I come to the end of the road and the sun has
set for Me, I want no rites in a gloom filled room,
Why cry for a Soul set free?

Miss me a little, but not too long and not with
your head Bowed low. Remember
the love that we once shared.

Miss me but let me go.

For this is a journey that we all must take,
and each must go alone. It's all part of a
Master's Plan,

A step on the road to home.

When you are lonely and sick at heart.

Go to the friends you know

Laugh at the things we used to do!

Miss me but let me go!
