To an Angel

This Angel deserves to live forever and ever, let there be no end to his life. DJ was a very special kid he was loved by many. Who didn't know DJ he knew more people than I did. He was my guardian angel all I had to do was look over my shoulder and there he was. DJ brought love in our hearts, joy smiles and laughter to all of us who knew him. I love my angel, I'll keep looking over my shoulder and know that you're always there. (fly away) WINGS WELL DESERVED.

R.I.P MY ANGEL
GREAT-GMA JOSEPHINE

My beautifully spirited gbaby, I will never forget you, I watched you enter the world and watched you depart as well, my heart aches for you just wanting to see you busting through the door just to go back out again. I still can't believe you're gone needing to hold you once more. I have plenty other loves but a DJ there's just one.

Sleep in peace my angel for we will meet again someday, until then your father and uncle will guide you through the golden roads where life is nothing but fun...

REST WELL IN PARADISE
BABY
GMA CELINA

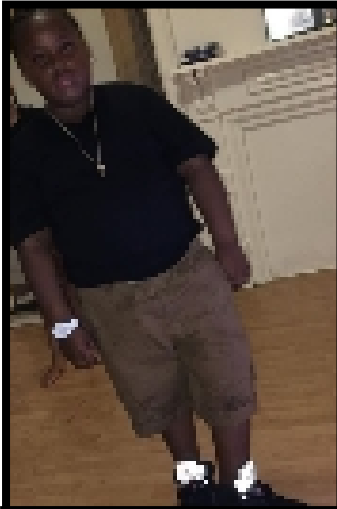

To my 1st and only son mommy miss you so much I don't know what I'm feeling but it's eating me up inside. We were supposed to have a long journey ahead of us. Your sisters miss you so very much the only thing that keeps playing in my head is when Harmony kept saying in the hospital DJ get up, get up DJ...

Obituary

Damont Lester Jr. (DJ) was born August 8, 2009 at Christ Hospital in Jersey City, NJ to Shaniqua Colclough and Damont Lester.

DJ was attending Public School 38. DJ was a special kid, he touched so many lives at such a young age. His energy was amazing and his personality was something incredible. For him to only be 7 years old he was a straight forward kind of kid and spoke his mind with no hesitation. We always said he been here before because some of the things that would come out of his mouth would leave you speechless! He loved to run and he could move out. In the summer, you couldn't keep him out of the water. He would only be friends with his grandmother's friend, Erica during the summer because she has a big pool in her backyard lol! If DJ loved you, he was your protector in life and now he officially has his wings to continue to protect all of us throughout our lives.

Damont leaves to cherish his precious memory: mother, Shaniqua Colclough; 2 sisters, Dynasia and Harmony; grandmothers, Celina Colclough and Theresa Lester; great-grandmothers, Josephine Colclough, Rosalie Gadsden and the late Annie Lester; grandfather, Robert Canty and the late Herbert L. Gadsden; great grandfather, Earl Colclough the late Herbert Gadsden; uncles, Lamont, Scott, Jimmy, Jerrell, Abmin, Daequell, Hampton, Mark, Shannon; 10 aunts, Zaniya, Zizane, Carla Smiley, Carolyn Gadsden, Contrilla, Ronna, Nybasha Lester, Tasha, Kia, Dorothy, Yvonne; God Father, Jason Dunbar.

The Day God Took You Home

*A million times
I've needed you
A million times I've cried,
If love alone
Could have saved you
you never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
No one else can ever fill.
It broke my heart to lose you,
But you didn't go alone
Part of me went with you,
The day God took you home.*

Acknowledgement

*Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece if so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts,
We Thank You, Whatever the part.*
