To Granddad

You are the light that guides me through the pain
And though this hurts I still feel you in my heart everyday
I will think of you when I laugh
As I remember how often you were the cause of that
There's not a memory I would take back
I was constantly learning from you
On top of the joy I felt when you were around
I recall your warmth in the air
When you were in the kitchen
Meals that tasted as amazing as they smelled
There's not a day you don't reveal
a new way to make me smile
It was an honor knowing, loving and being loved
by a man as strong and caring as you
Granddad it is an honor being you granddaughter
You will always be with us all
In our hearts and on our minds
I will continue to think of you all the time
I will carry out your legacy of strength and kindness
You are my heart now

I Love You
Granddad

I'll Be With You Always

To those I love and those that love me,
When I am gone, release me, let me go
I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many years.
I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love you each have shown
But now it's time I travel alone
So grieve for a while for me if you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless the memories within your heart
I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see me or touch me, I'll be near
And if you listen with your heart you'll hear
All my love around you so soft and clear
And then, when you must come this way alone
I'll greet you with a smile and say,
"Welcome Home."

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece if so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts,
We Thank You, Whatever the part.
