# *His Journey Just Begun*

*Don't think of him as gone away  
his journey's just begun,  
life holds so many facets  
this earth is only one.*

*Just think of him as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.*

*Think how he must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.*

*And think of him as living  
in the hearts of those he touched...  
for nothing loved is ever lost  
and he was loved so much.*
