"I'm Good"

*Proverb 16:9 - A Man's heart devises his way
but God directs his steps".*

I am free, no longer bound by the cares of this life.
I prevailed over many obstacles that were in my path
that could have stifled my growth.

A profound thinker who was creative motivated
and always striving to go to the next level.

I positively impacted the lives of others.
Family was my life, the breath of my existence.

Quadel's quote - Family over everything.
