My Mother Kept A Garden

My Mother kept a garden.
A garden of the heart;
She planted all the good things,
That gave my life it's start.

She turned me to the sunshine,
And encouraged me to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rains came,
She protected me enough;
But not too much, she knew I'd need
To stand up strong and tough.

Her constant good example,
Always taught me right from wrong;
Markers for my pathway
To last my whole life long.

I am my Mother's garden,
I am her legacy.
And I hope today she feels the love,
Reflected back from me.
