"As I Sit Here"

As I sit in heaven and watch you everyday
I try to let you know with signs I never went away
I hear you as you sleep I place my arms
Around you to calm you when you weep
I see you wish the days away begging to have me home
So I try to send you signs so you know you're not alone
Don't feel guilty that you have life that was taken from me
Heaven is truly beautiful just wait and see
So live your life laugh again enjoy yourself be free
Then I know with every breath you take you're taking one for me.
