## *Loving Memories of True*

*May 29, 2017*

As sisters-in-law  
We too have flaws  
Though there weren't very many  
Yet it wouldn't be life truly lived  
If I said we didn't have any.

We talked, we laughed  
We lived in love  
I'd say just trust  
To God above.

He has it all in  
His blessed hands  
And if no one else does  
He truly understands.

Good times were many  
Thoughts sometimes sad  
Expressions so strong but true friendship we had.

You often would say to me  
I wish I had the faith you have too  
Then one day you acknowledged  
Our God was so loving and true

In our talk the other day  
I heard you say  
How good God's been,  
When we just let Him have His way.

This you said with joy and strength,  
With love right from your heart.  
Maybe that was your clue True  
Toward your heavenly start.

Well I thank God True  
For all we did share  
And all we've been through  
We both know our God does care.
