INTERMENT

*Rosedale Cemetery
Linden, New Jersey*

As we roll back time and start with a man's journey, who came from the South with a hand full of nothing. He built a career from a truck and a drivers license delivering meat to the 5 boroughs. He managed to raise 3 girls and a son, 1 passed away but was never forgotten. He always kept his family together, through the good and bad times and had a bunch of great friends who always kept him laughing. To come to this day, for us to say goodbye, is hard to accept especially those who knew him, with his great sayings like "Stop Da Bullshit", we could go on but I will just say, we will always love you dearly and may you rest in peace. Love you Dad, I will never forget the great times we had together.

Love Your Son,
Joe Lewis Jones Jr.
