*Reflections of the Life of*  
*Verna Lee Dodson*

*Verna* Lee Dodson entered this world on October 26, 1942 in Trenton, New Jersey. She was the daughter of the late Eddie and Rose Dodson. *Verna* took on the career as a CNA at Willow Creek Care Center where she retired with 27 years of service.

*Verna* was a member of Community Baptist Church of North Plainfield, NJ. *Verna* spent most of her early years with her companion Freddy Duker Mills. Their loving relationship lasted until he passed away 17 years ago.

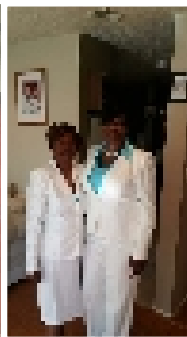

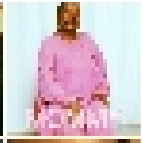

*Verna* took pride in maintaining a tight knit family and the role she took on lovingly as a grandmother. One tradition that was near and dear to her was having her family over for Thanksgiving Dinner. The family already knew that she didn't care what else you did that day, but you better show up at her house to eat and pull names for Secret Santa.

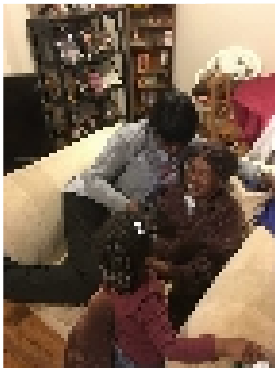

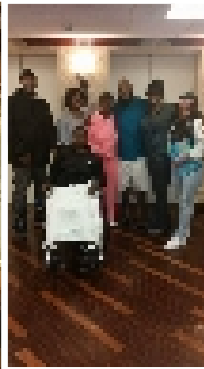

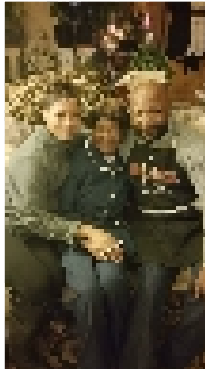

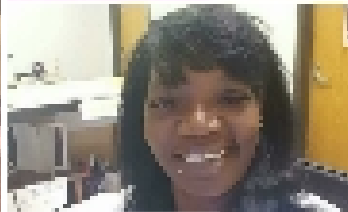

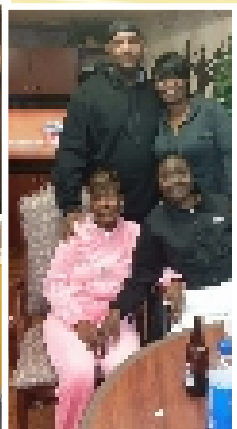

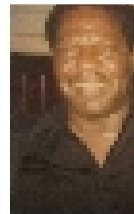

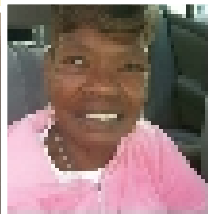

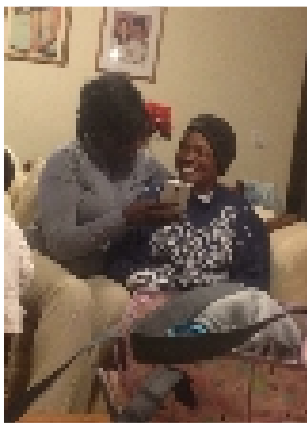

*Nana* is what she was affectionately called by her grandchildren and great-grandchildren, all of which she had a personal relationship and connection with. Even their friends became her adopted grandchildren. Their hearts will always be filled with joy thinking of all the times she said "**HEY BOO**" when they called and /or came to visit her.

*Verna* will be remembered by her warm smile but most of all by her charming, yet witty personality. She was very outgoing and when it came to any topic, she would make sure to tell you..... "**If you don't know, you better rent the video!**"

*Verna* was predeceased by her daughters Keita Hill and Carol Ann, son John Dodson, & brothers John Pete, Curtis, Georgie, and Allen.

*Verna* is survived by her sister Pearl Lee, daughter Lisa Andrews, sons-in-law Val Andrews and Lavell Hill, 13 grandchildren, and 12 great grandchildren. Having this many grandchildren, we heard her phrase "**If you play, you got to pay**" MANY times!

*From all of us:*

*Nana, You will be on our minds*

*“Seven days a week and twice on Sunday”*

*Thanks*
