Justine Thompson, age 54, passed away peacefully on Sunday July 16, 2017 at Bayonne Medical Center Hospital, in Bayonne, NJ surrounded by her loving family.

Justine “no middle name” Thompson was born June 14, 1963 in Jersey City, NJ to the late Ressie Mae Mitchell and late Jerry Thompson. She was raised with her nine brothers and sisters and received her formal education through the Jersey City School Public School System.

Out of her nine brothers and sisters, the baby of them all, Tanya Mitchell and Justine where Frick and Frack. There was never one without the other and they had so much love for one another (BESTIES).

Justine gave birth and raised five beautiful children, Ressie Thompson, the late Tiffany Thompson, Rasheeda Thompson, Demetrius Thompson, and Eric Carter. She loved her children unconditionally and always sacrificed her needs for them, along with others who was not her biological child. She was great at helping others, always opened her doors, and never turned anyone away.

Justine was the life of the party who loved to make others laugh, music, dance, meet new people, cook and entertain her friends and family. She always had a smile on her face, even when times were tough. She had a quiet strength that didn't complain and she looked to a better future.

Justine also leaves behind in addition to her loving children and her siblings, the late Linda Waldo, Venus Mitchell, Johnny Mitchell, David Thompson, Jerry Thompson Jr., Robert Thompson, Lorenzo Thompson, Tanya Mitchell, and Brenton Smith, and a host of aunts, uncles, fifteen nieces and nephews, four great nieces and nephews. A Mother Just Like You

We want to let you know
You mean the world to us
Only a heart as dear as yours
Would give so unselfishly
The many things you've done
All the times that you were there
Helped us know deep down inside
How much you really cared
We appreciate all you've done
Richly blessed is how we feel
Having a mother just like you
Love Your Children

Just Poem

My Jus, as my day get longer and longer I don't know how my life is going to go on with out you not here with me. We do everything together, so now when I go to the store or go outside my door, all I want is to call your name. Now I walk around with the last shirt you had on and they looking at me as if I'm going crazy. But that's me having you with me at all times, I guess I will be crazy because I'm never putting this shirt down. I love you with all my heart and soul, the two peas in a pod, sisters as they would call us.

From Tanya
