Obituary

Olga Jones was born September 18th, 1939 in Mandeville, Jamaica. Olga was the daughter to the late Ella Haynes and Charles Haynes. On August 8th, 2017, she received her wings.

In 1983, she migrated to New Jersey along with her late husband Allan Jones. Together they built a strong foundation and raised their family. She was then remarried to Beresford Elloit , where they also shared a life together in Jamaica

Olga Jones was raised and brought up in the Praise Temple Church of God, located in Newark NJ. She gave her life to the Lord and it showed through her relationship with people. Olga played an integral role within the ministry. She was not only a church mother and friends to many, but she was also the mother of many children, grandchildren and great grandchildren in addition to many people who she incorporated into her family along the way.

She was compassionate, honest, hardworking and very soft spoken, yet determined and had a way of drawing people to her, with her words of wisdom and kind gestures. In addition to her pleasing demeanor, she worked hard for many years as a hospitality staff within a hospital and a nursing home until her retirement.

Her smile and sincere personality brightened many lives and her love for Christ was always evident in her acts of daily conversation. Her faith stayed strong in the Lord, never wavering even through her most trying times.

She leaves to cherish her loving memories: 8 children, 33 grandchildren, 11 great grandchildren, as well as her siblings, sisters and brother. Rest in Peace, Olga.

An Angel up in Heaven

I wanted you to know I feel you watching over us everywhere we go. We wish you were here with us, but we know that can never be. We will forever have memories of you in our hearts, that only you can see. We hope you understand that we would give anything if we could just hold your hand. We would hold them oh so tightly and never let go. All the love, we have inside of us to you, we would show. My angel up in Heaven for now, we are apart ; but you'll always live inside of us, deep within our hearts.
