From "Can"

I received my wings today. I know you might be feeling like "I'm leaving here. My smile, my voice, my grace, my dance, my beauty, my joy, my wisdom, will always be here with you in your heart, mind, body and soul. Memories and times, we share are a lifetime. Please don't cry for me. Continue to live for me, my children, grandchildren, family friends and the rest of my loved ones.

Life is a journey. While my journey is over, continue yours.
Live, laugh and Love.
