# **IN GOD'S ARMS NOW I LAY**

Let me introduce myself, My name is Davon Irving Owens and I am 22. Yes 22. I started this journey on September 30,1994. That is when I walked through this earthly door. As I traveled along this road I met many different people, and I was loved by few and hated by many. But yet I smiled, for my style was unique, and I knew the codes of the streets, I made some bad and good decisions, traveling down this road. And I ran into some trouble, because of the wrong turns I've made getting off of this road. But I found my way. And I always had something to say. I do know that God along with my family and true friends loved me. For some was for me and some was against me. As I was transitioning to turning my life around. On August 27, 2017 suddenly my physical body went down. But my soul stood up and did not stay down. So family and friends don't cry for me. I'm okay. For In Gods arms now I lay.
