See You Later

You gave me
Now I'm wishing I could have done more
I'm happy you left without suffering
But I'm sad cause now I'm suffering
I cried with all these thoughts in my head
You left me without anything said
They say memories last forever
But we don't even have a picture
I'm going to miss your phone calls
and just you getting on my nerves
I'll never forget you so
Make sure you watch over me
It feel like something has been broken
But as God calls us one by one the chain will link
again and be unbroken
I love you!!!!
Love Fia

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
