JAYVON MALIK SHERMAN, one of God's many gifts to his parents. **Jayvon** was the typical kid... funny, not so funny, bad, good, loving, kind, mean, inquisitive, nosey, noisy, stubborn, strongwilled, hyper, extrovert, introvert, adoring, annoying, mouthy, obedient, disobedient, goofy, smart, not-so-smart, mischievous, selfish, giving, charismatic, suave, fashionable, cool, outgoing, adventurous, scary, brave, cautious, rude, courteous, kind, lazy, leader, follower, ambitious, sad, happy, **LOVING**, **LOVING**, **LOVING**...the typical, but not-so-typical kid. **Jayvon**...a kid who **loved** life.❤️

Even though young, **Jayvon** had a keen sense for life. **Jayvon** enjoyed life and had a love for many things which included basketball, video games, football, karate, running track and lots of junk food. **Jayvon** had dreams, goals and aspirations. **Jayvon** dreamed of one day becoming a famous rapper. **Jayvon's** goal was to obtain his driver's license in the very near future. **Jayvon's** aspiration was to join Central High School's track team in the upcoming spring season. **Jayvon** was on the right path to success and would have succeeded had he been allowed the opportunity to continue to shine.

Jayvon's first and most important love was that of family and friends. **Jayvon** loved spending time with both, and did so as much as possible. **Jayvon** was an awesome brother to his siblings, an awesome cousin to those related by blood or through friendship, a loved and adored grandson and nephew, and a dedicated and loyal friend.

Jayvon Malik Sherman now watches over his parents, Khadijah and Gamar Taylor. **Jayvon** was, and will always be the Son who taught his parents what unconditional love is. **Jayvon** was, and will always be the Son who taught his parents the joys, anguish, fears, hopes, dreams, desires, tears, smiles, laughter, trials, disappointments and pride of parenthood. That through the good, bad and ugly...**LOVE IS ETERNAL!**

On October 19, 2017, an eclipse took place. Darkness momentarily overshadowed the Light. Greeted at, and escorted into Heaven's Gate by his Great Grandfather, James Pouncy and Grandfather, Bomani Bakari, the Light, **Jayvon Malik Sherman**, overcame darkness for *eternity*.

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
