Hey everyone it's me Jayce'on, I am here in heaven looking down at all of you. I want to thank all of you for coming today to celebrate my short but happy life on earth. Since I cannot be with you today because I am with Jesus, I thought I would stop by in spirit and tell you my story.

Well I was born on October 13, 2017 to my mom Wykenia Price and my Dad Aqai Stevens at Holy Name Hospital in Teaneck, New Jersey. I was 5 pounds 11 ounces I was little but I sure was cute before I left this earth I weighed 7 pounds my mommy and daddy were taking good care of me and feeding me real well... I didn't really get to experience much while I was here on earth after all I only had 1 month and 5 days here when I went back to be with my heavenly father. While I was here I was loved and taken care of, I was just starting to know faces and get used to everyone around me, but on November 18, 2017 God had other plans for me. You see there are just some people that are too good for this world and God decided that I was so he called me back to heaven you know that's where I was before I came here. He said he needed me back so I mounted up on wings of angels and went back home. I am a true angel now . I have to tell you all something just because you won't get to hold me again doesn't mean I am not around you. I am the wind you feel, the sunlight you see, the bird that flies through the air the rose that blooms, and the gentle breeze that passes by every now and then. Oh mommy and daddy can I tell you I am so happy up here it's beautiful there are other children here to and guess what my grandmother Patsy Price is here with me and my other grandmother Emily Stevens so don't be sad I am ok.

When I was there they called me Boodah Boo, I will always be your Boodah Boo , I sure was handsome with my silky hair and big eyes but I'm even more handsome now as beams of sunlight and glory shine off me. I'm sorry I had to go so soon but HE needed me.

To my mommy and Daddy Wykenia Price and Aqai Stevens Sr., thank you for taking care of me, to my big sisters Shamia Carter, and Aquia Stevens I love yall, to my big brother Aqai Stevens Jr., see you later big brother, grandpa David Campbell I love you, to my my special pops Leonard Jones see you later I also had a whole bunch of other aunts and uncles relatives and friends .. I was loved. Well I gotta go now I here Jesus calling all the children to his feet and we have to go to Him now . I am alright and remember I see you..... Love you all see you in a little while.

Bye Jayce'on Kashawn Stevens..... Gods Angel please celebrate me don't mourn over me.

Order of Service

An Eternal Memory of A Little Angel

***Today it would be wonderful
to see you play or smile
but heaven lent you to this world
for just a little while.
And in that short but precious time
you brought along much love
and all that love is with you now
in Heaven up above.
Your leaving caused so many tears
and such a lot of pain
but God needed one more Angel,
so he took you back again.***

Acknowledgement

***The family wishes to express sincere thanks to all who
helped in anyway to ease their burden during the
bereavement and acknowledges with sincere
appreciation of many kind acts of care and concern.***
