Reflections from Mothers & Daughter

My Loving Daughter,

Cheryl you always took care of me and you treated me as if you were my mother and I was your daughter. You would always tell me "Old lady, come sit down at this table" and I would say "Ok, Mama". You never left my side. We are each others heart and you vowed to take care of me and you did - so well. And I will forever carry you in my heart.

Thank you my child,

Your Mom,

Evelyn

Mommy you are my everything. I would do anything for you. I miss you so much. We've had our ups and downs and I have broken your heart many times but that didn't break our bond. I miss your smile. I miss your jokes. Most of all, I miss our mother/daughter talks.

You're my mother, friend, crutch and my backbone. Although I feel empty right now, I know I'll see you again. There's no more burdens or suffering for you. So rest beautifully in peace until I see you in the resurrection where I will hold you tight.

Love You Mommy,

Your child,

Ebony

To my niece,

Cheryl, there are so many words to describe you, and many memories I have of you. Cheryl, I am gonna miss your daily phone calls with me the way we would make each other laugh till we cry. I'm so happy we shared so much over the years. Rest well my pretty, lovable niece. I love you always.

Your Aunt Sheila

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
